

**CCC Fellows Project Final Report and Evaluation Questions  
Cohort 9  
Due no later than: September 31, 2019**

**General**

**1. Your name:**

**2. Your affiliation:**

If CSU, please list your home college and department.

If not CSU, list your title and name of employer.

**3. What was the **main issue and topic(s)** being collaborated on?**

**4. Who initiated the project AND why?** (*you, community, employer, organization, government, etc.*)

**5. Specific geographic location(s)** of your project.

**6. What were the **goals and objectives** of your project?**

**Collaboration**

**7. What **collaborative tools** did you use to engage with your stakeholders?** (*ex: facilitation, situation or stakeholder mapping, participatory learning, photo voice, community workshops, interviews, etc.*)?

- a. Why did you choose these tools to use for your project?
- b. How did they help you meet your objectives?

**8. Did the fellowship change your understanding and use of collaboration?**

- What did you learn or what new insights do you have about the collaborative process?

9. Think about **who** you collaborated with during your project, AND **how** you collaborated together. List their affiliations.

Type of Collaborator	# of people (best estimate) and HOW you collaborated together	Affiliations
<b>Community member*</b> <i>*this is anyone who only played the role of a community member, not any of the following.</i>		
<b>NGO or Non-Profit</b>		
<b>Faculty/Researcher</b>		
<b>Student</b>		
<b>Government Organization</b>		
<b>Private Business</b>		
<b>Pastoralists/ranchers/farmers</b> ( <i>please specify</i> )		
<b>Indigenous peoples</b>		
Other:		
Other:		

10. How many **new partnerships** were formed as a direct result of your project? **Describe.**

REFLECTIONS: Successes, challenges, lessons learned

**11. Did you meet your project's goals/objectives?**

- Yes (go to question 12)       No (go to question 13)

**12. a. Did the goals and objectives change over time?**

**b. How did they change and why?**

**c. How did you measure or determine that you met your goals and objectives?**

**13. If you did NOT meet your goals/objectives...**

a. Please explain why you did NOT meet them.

b. Even though you did not meet your goals/objectives, do you think your project was still a success? Please explain why or why not.

**14. a. Were there any unintended consequences (positive or negative) to your project?**

Yes (positive) \_\_\_ Yes (negative) \_\_\_ No \_\_\_

b. Explain your answer.

**15. What were some of the challenges or obstacles you encountered?**

**16. How did you deal with challenges, obstacles and/or surprises?**

**17. What are the major lessons you learned from the project?**

**18. a. What would you do differently?**

b. What worked really well?

Outcomes

19. Estimate the **number of people who benefited** from your project **and how** they benefited (*Ex: project improved trust between stakeholders; created new relationships; they learned new information; they benefitted economically; helped a research project, reduced community conflicts, and other direct and indirect benefits, etc.*)

Beneficiary	# people (best estimate)	How did they benefit?
<b>Community member*</b> <i>*this is anyone who only played a role as a member of the community, not any of the following.</i>		
<b>NGO or Non-Profit</b>		
<b>Faculty/Researcher</b>		
<b>Student</b>		
<b>Government Organization</b>		
<b>Private Business</b>		
<b>Pastoralists/rancher/farmer/</b> <i>(please specify)</i>		
<b>Indigenous peoples</b>		
Other:		
Other:		

20. Describe the **direct conservation impacts** of your project, **both** quantitatively (*such as # acres restored, # wildlife saved, # management plans, # of task forces developed, # new policies, etc.*) and qualitatively.

21. If there are NO direct conservation impacts at this time:
- What are the **indirect or future impacts**?
  - How might these be measured?**
22. How were (or will) people’s livelihoods be impacted by your project, both short term and long term? (If you don’t know exactly, you can speculate).

<b>Livelihood variable</b>	<b>Short-term impacts</b>	<b>Long-term/impacts</b>
<b>Economic</b> (examples: increased revenue, jobs created, entrepreneurial development, hiring local people, creating a non-profit, etc.)	Example: Reduced wildlife/crop conflicts lead to less economic loss	Example: Increased revenue for farmers, decreased culling of elephants
<b>Gender/Diversity issues</b> (examples: equality, increased education for women, better representation of minority culture, etc.)		
<b>Well Being or Health</b> ( <i>physical</i> -cleaner air and water, better food, healthier ecosystems, etc. <i>mental/emotional</i> -improve peace of mind, reduced worry, more contentment)		
<b>Education</b> (examples: educating people about local flora/fauna, training in new skills, etc.)		
<b>Other:</b>		
<b>Other:</b>		

23. How did you share your project/research findings with the stakeholders and communities you worked with? Was it appropriate for the audiences you were reaching?
24. What still needs to be done at your project site or with your research that another fellow could **follow up** on for their project?
25. Are you willing to work with someone who may piggy-back on your fellows’ project?  
Yes \_\_\_ No\_\_\_

If yes, how might an individual(s) continue your project?

## CCC Fellows Program Evaluation Questions

1. How has this fellowship affected you personally? Be specific.
2. How has this fellowship affected you professionally? Be specific.
3. Did the fellowship give you any new tools or skills? Or strengthen existing skills?
4. What has been the **strongest aspect** of the Fellows Program? Why?
5. What has been **the weakest aspect** of the Fellows Program? Why?
  - How would you improve this?
6. How can the CCC improve networking and engagement among the fellows (both current and past fellows)?
7. How can we improve the quarterly meetings?
8. Were there any topics missing from your CCC Fellows training that would have helped you better navigate the collaborative components of your project? Describe.
9. How did you hear about the CCC Fellows Program?
10. What are your overall impressions of the CCC as an organization?
11. Anything else you'd like to say?
